THE STRONGEST GLUE
IN THE WORLD.
2 GOLD MEDALS
 AWARDED
 LONDON 1883. NEW ORLEANS 1885.
RUSSIA CEMENT CO.
 Gloucester, Mass.

At the New Orleans Exposition (where a Gold Medal was awarded) a piece of Georgia pine butted, one inch square, on a Testing Machine, registered 1620 lbs.

No Heating Required.

Our new Patent Can can be carried in the pocket and used without danger of soiling from the can or brush; all superfluous glue is removed on wiper. This style is made in three sizes, half pint, gill and half gill.

These Glues are used in the Smithsonian Institute at Washington for all its works of mounting specimens, by the Government Arsenals and Department Buildings, by the Pullman Palace Car Co., Mason & Hamlin Organ and Piano Co., and by thousands of first-class manufacturers and mechanics throughout the world, for all kinds of fine work.

Pronounced the **STRONGEST ADHESIVE KNOWN.**

No other glues have the record of 1620 pounds to the square inch.

The total quantity sold between Jan. 1880, and 1887, in all parts of the world amounted to over **Forty-Seven Million** bottles.

No short measure, No acid, No humbug in **Genuine LePage's Glues.** Remember that they are unequalled for repairing all kinds of

Furniture, Glass, China, Ivory, Books, Leather, Musical Instruments, Statuary, &c., &c. To prevent the public being deceived by the many glues flooding the market, some with high-sounding names, others imitating our advertisements, trademarks and name as near as they dare, we have commenced putting the autograph below on all the Genuine LePage's Glues.

Sample by mail 20 cents (stamps). Mention this Journal.

THE BOSTON Saturday Evening Gazette.

THE SOCIETY PAPER OF BOSTON.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for nearly three-quarters of a century the leading family weekly journal of the city. Its circulation is largely among the most intelligent and influential class of readers. In the discussion of topics relating to

Literature, Politics, Art, Music, and the Drama,
Society, and the General Affairs of the Day,

It employs the best writers, and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat.

An important feature is the publication of the sermons of the REV. JAMES FREEMAN CLARKE, D.D., which are printed each week during nine months of the year, from the author's manuscript, and are believed to be the ablest and the most widely read discourses that emanate from any New England pulpit.

The GAZETTE is a special favorite with the ladies. Its "Out and About" columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society Circles everywhere. The "Familiar Letters of Peppermint Perkins" are among the many strong and popular specialties of the GAZETTE, and have from their first appearance enjoyed a constantly-increasing favor. As a hotel paper, the GAZETTE stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a **Society, Hotel, and Club Paper**, it is without a rival.

THE GAZETTE gives close attention to local news, and is the only Sunday paper in Boston, except the "Herald," that has the advantage of the Associated Press telegraphic despatches.

As an advertising medium the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage; and by the Book Trade, the Hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

"One of the brightest and most enterprising papers in New England." — *Harper's Weekly*.

"THE BOSTON SATURDAY EVENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week." — *Boston Transcript*.

"THE BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or a break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival." — *Boston Herald*.

Beauty! * Youth! * Love!

* * * AT A PREMIUM. * * *

It is difficult for ART to conceal the DEFECTS of the FACE. A "made-up" FACE is like a MASK, and deceives no one but the perpetrator of the attenuated FRAUD! DYED hair is recognized at first sight. Powder, PAINT, pencilled eyebrows, stained lines under the eyes, only suggest the

"DEMI-MONDE!"

And the wonder is pure women will subject themselves to such a suggestion, and that husbands will countenance such imitation. A CLEAN face with HONEST eyes, a kindly expression united to gentle manners are BEAUTIFUL, even if the features are irregular and the skin not so white as enamel makes it. Where the gift of BEAUTY in the matter of COMPLEXION is withheld by Mother Nature, the pre-eminent charm is most speedily acquired and conferred by that incomparable "BLOOD" depurant and tonic known as DR. CAMPBELL'S "LIFE-RENEWING" SAFE ARSENIC COMPLEXION WAFERS. To be had of all respectable druggists. 50c. and \$1.00 per box.

WHAT SOCIETY SAYS OF THEM.

A Bennington Street (Boston, Mass.) lady writes:—

"Please find enclosed \$5: send me another six boxes your Dr. Campbell's Safe Arsenic Complexion Wafers: my skin was very yellow, but is rapidly becoming a beautiful white, so that if I keep on I shall in a manner become chiselled Parian: formerly I was very angular, but a great improvement is apparent in my form, so much so that my mother compliments me on my shape, which she declares now to be the most symmetrical in Boston, but then, of course, she sees with partial eyes."

UNITED STATES WEATHER SIGNALS.

DISPLAYED IN BOSTON ON POST-OFFICE BUILDING.

WIND: DIRECTION AND VELOCITY SIGNALS.

A Cautionary Signal, a Yellow Flag with a White Centre, will indicate that the winds expected are not so severe, but well-found and sea-worthy vessels can meet them without great danger.

A Dangerous Storm Signal, or when the wind is over 35 miles an hour, the Red Square Flag with Black Centre is raised.

Cautionary Flag hoisted alone indicates the probable direction of wind is doubtful.

At night a Red Light will indicate Easterly winds, and a Red and White Light Westerly winds.

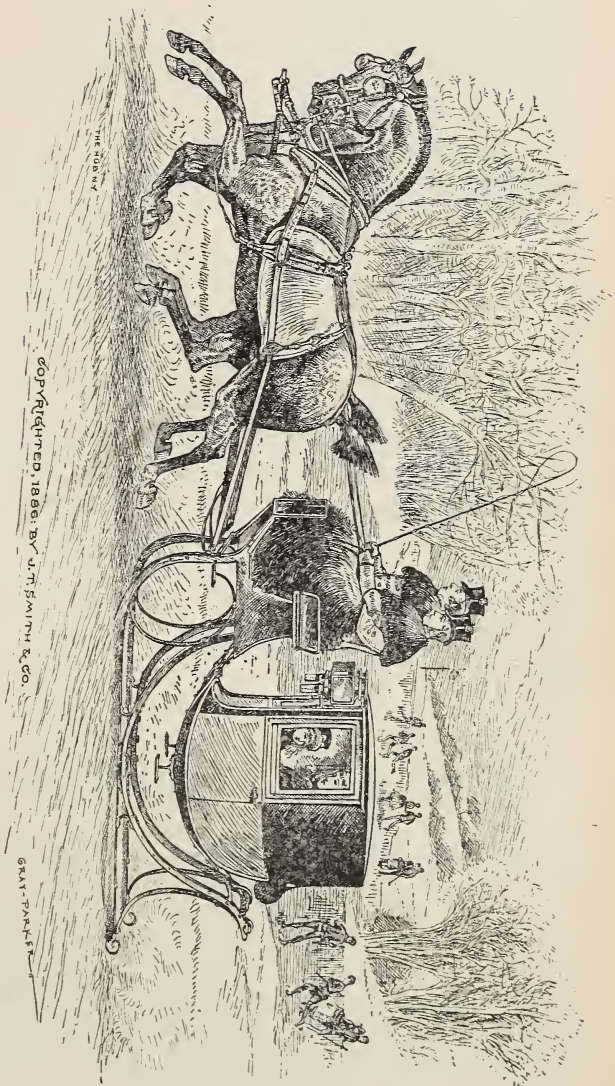

Red Pennant above Cautionary Signal when Northeasterly winds are expected; and below for Southeasterly winds.

White Pennant above Cautionary Signal when Northwesterly winds are expected; and below for Southwesterly winds.

The Cold-wave Signal consists of a White Flag with Square Black Centre; when displayed, it means that the temperature will fall rapidly during the next twenty-four hours.

The United States Signal Office in Boston is located in the Post-Office building, corner Milk and Devonshire Streets, and is open to visitors from 9 A.M. until 4 P.M.

UPPER RIGHT CORNER — *Visit.*

UPPER LEFT CORNER — *Congratulations.*

LOWER RIGHT CORNER — *Adieu.*

LOWER LEFT CORNER — *Condolence.*

TURNING THE ENTIRE LEFT END — *A call on the family.*

R. S. V. P. (Répondez, s'il vous plait.) — *Please answer.*

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations. If no reply is requested, and no regrets sent, it is understood the invitation is accepted.

“Party Calls” should be made within one week after date of the party.

Invitations in your own city should be sent by messenger, not by mail. Answers to such invitations should be similarly sent.

Letters or notes of invitation delivered by hand in the city are often marked E. V. — En Ville.

The custom is, for a lady about to be married, to enclose her card in an unsealed envelope, which the servant should deliver, the lady not leaving the carriage.

On gentlemen’s visiting cards, “Mr.” should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor’s card with her own, in the same envelope.

An invitation to dine should be answered on the day received.

On receipt of an “At Home” card, no reply is required.

A visiting card should always be left when attending an “At Home.”

BOSTON FIRE-ALARM TELEGRAPH.

SPECIAL NOTICE.

The fact that an alarm-box is located near their residence, and where the key is kept, should be known to all persons; also the simple manner of giving an alarm in case of fire. The Board of Fire Commissioners recommend to all persons who may see this notice, that they make the necessary inquiries, to enable them, in case of need, either to get the key, and give an alarm, or to direct others to do so. *Time* saved in this way may sometimes prevent a conflagration.

IN CASE OF FIRE, FOLLOW THESE DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box; pull the hook, all the way down ONCE only, and let go.

Wait *one full minute* for the sound of the bells.

If you hear no sound, *pull again* as before; and the *third* time if you get no sound.

If you fail the third time, go to the next nearest box, and do the same there; but do not touch any other box if the nearest one gives the alarm.

If it be a keyless door, turn handle to right, and open the door; *when* open, pull hook as in other boxes.

After giving the alarm, remain a while if *possible* by the box, so as to direct the firemen to the fire.

SECOND ALARMS. — No person will give alarms for the same fire (after the first alarm has been given) without an order from an Engineer or the officer in command; and the person so ordered will be *sure* to go to the *same box* from which the first alarm was given, and report the same to the Chief Engineer. *If, however,* a fire breaks out while another is burning in a different section of the city, a *second* alarm can be given by a Police Officer, without waiting for an order from an Engineer.

CAUTIONS TO PERSONS HOLDING SIGNAL KEYS.

1. Never open the box or touch the hook except in case of fire.
2. Never give an alarm for a fire seen at a distance.
3. Be reasonably sure there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.
6. *If you remove from your house, or place of business, return the key to the Fire Commissioners' Office without delay.*

THE "HUB" WRAPS AND DRAWERS

(PATENTED AUG. 8, 1871.)

Have many Superior Advantages over all Others.

Letter F, in cut, shows the **PATENTED SUSPENSORY GORE**, which prevents chafing, and removes all disagreeable points, such as seams,

extra cloth, and tightening over the knee; it removes the unpleasant feeling experienced in all others, both foreign and domestic, and are indispensable for large men that appreciate comfort. Also, the wrap opening in front gives it a superiority of adjustment; as it fits loosely, it remains in position and is not so oppressive in warm weather as the light weights of merino fabric (and, for WINTER wear, has a CHEST PROTECTOR attached which prevents colds, neuralgia, catarrh, pneumonia, etc.).

FLORENCE SILK

UNDERSHIRTS AND DRAWERS

FOR LADIES AND GENTLEMEN.

The attention of those persons who wish to promote health and comfort is invited to the advantages this underwear has over that made from other materials.

Manufactured from strictly pure "soft finish" silk, which is entirely free from any dyestuff or other foreign substance which might cause irritation, without seams, and trimmed in a superior manner, a degree of comfort and protection from cold is obtained in its use not to be had in garments of any other material.

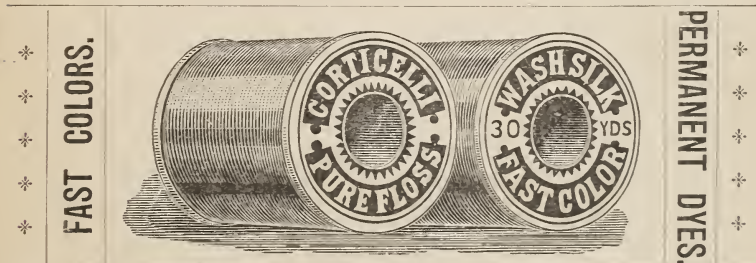

These goods will be freely shown to any person who desires to examine them, whether they wish to purchase or not, at our store, 18 Summer Street, Boston, Mass.

Price-list, with sample piece of web, showing quality and weight, sent free to any address on application.
